Dear sir,

LETTER OF APPLICATION FOR THE POSITION OF PHYSICS/MATHEMATICS TEACHER

I wish to apply for the post of physics/ mathematics teacher in your reputable school. I attended mayflower secondary school, Ikenne between the year 2008-2014 where I had my west African school certificate then proceeded to the university of Ibadan where I obtained a B.sc degree in Physics. My national youth service corps (NYSC) took place in community high school, Iyara, Kogi-state, where I was awarded as the one of the best serving corps member in the school for the knowledge impacted on the students.

Hence, I attached the copies of my documents and while at the same time thanking you in great anticipation that my application would be granted.

Yours Faithfully,
Ademola Olutomiwa.
